RECOMMENDATION

Staff recommends that the City Council adopt:

ORDINANCE NO. 348 - AN INTERIM ORDINANCE OF THE CITY OF ROLLING HILLS, PURSUANT TO GOVERNMENT CODE SECTION 65858, TO TEMPORARILY PLACE A MORATORIUM ON THE CONSIDERATION AND PROCESSING OF ANY APPLICATION SOUGHT UNDER THE PROVISIONS OF CHAPTER 17.26 (VIEW PRESERVATION) OF THE ROLLING HILLS MUNICIPAL CODE, AND DECLARING THE URGENCY THEREOF

BACKGROUND & ANALYSIS

The adoption of Measure B in March 2013 by the electorate has led to practical difficulties in the application of the City's view preservation ordinance (RHMC Chapter 17.26). The City Council has appointed a subcommittee to work collaboratively with a

group of residents to rewrite the view preservation ordinance in order to address the ambiguities and uncertainties that hamper its effective application and enforcement. Pending the conclusion of that process, it is possible that application of the current view preservation ordinance will result in determinations and decisions that are inconsistent with the new ordinance being prepared. Furthermore, the processing of applications received under the current ordinance would result in the City having to expend considerable time, expense and resources to evaluating applications under an ordinance that may soon become obsolete. With a four-fifths vote of the City Council, adoption of the interim ordinance would immediately suspend the utilization of Chapter 17.26 of the Rolling Hills Municipal Code for 45 days.

Note that an urgency ordinance may remain in effect for only 45 days unless it is extended by another four-fifths vote. After notice and a hearing, the City Council would have to reconsider this item at a duly noticed public hearing on January 9, 2017. At the January 9, 2017 meeting, the Council may extend the ordinance for either ten months and 15 days, with the option of an additional one-year extension; or 22 months and 15 days. In other words, this Ordinance may be extended so that its full duration is up to a maximum of two years. Council would have the option to repeal the interim ordinance at any time prior to its expiration.

ALTERNATIVES

The alternatives available to the City Council include:

1. Adopting the proposed Interim Urgency Ordinance;
2. Refusing to adopt the proposed Interim Urgency Ordinance; or
3. Providing staff with an alternative direction.

NOTIFICATION

Notice of this public hearing was published in the Daily Breeze on November 18, 2016 and the City Council meeting agenda was included in latest City Newsletter. The agenda and staff report were posted on the City's website and notification of this item was sent to those residents who signed up for automatic notifications of " Pending Ordinances". The staff report and the agenda was also provided to the RHCA.

ORDINANCE NO. 348

AN INTERIM ORDINANCE OF THE CITY OF ROLLING HILLS, PURSUANT TO GOVERNMENT CODE SECTION 65858 TO TEMPORARILY PLACE A MORATORIUM ON THE PROCESSING AND CONSIDERATION OF ANY APPLICATION SOUGHT UNDER THE PROVISIONS OF CHAPTER 17.26 (VIEW PRESERVATION) OF THE ROLLING HILLS MUNICIPAL CODE, AND DECLARING THE URGENCY THEREOF.

The City Council of the City of Rolling Hills does hereby ordain as follows:

SECTION 1. **Purpose.** The general plan of the City acknowledges the contribution of both trees and views to the character and beauty of the City. Recognizing that trees and views and the benefits derived from each may come into conflict, the City's 1988 View Preservation Ordinance was established to create a process whereby a property owner could seek to abate an obstructed view balancing tree- and view-related values.

In March 2013, the residents of Rolling Hills passed Measure B to amend the View Preservation Ordinance (Chapter 17.26 of the City's Municipal Code). The principal effect of Measure B was to shift the protection of the ordinance from views that are capable of being enjoyed from a property to views that were actually enjoyed from a property when the property owner acquired the property. In particular, the initiative amended the ordinance as follows: (i) only a view that existed when the current property owner "actually acquired" the property may be restored; (ii) abatement of view impairment is limited to obstructions caused by trees that were "maturing" at the date of acquisition and trees that were "mature" at the time of property acquisition are excluded from consideration; (iii) abatement of view impairment is intended to create "view corridors" and views through trees; and (iv) Measure B specified that its provisions are to be applied retroactively.

Implementation of Measure B revealed various ambiguities in language, resulting in uncertainty in its application. Specifically at issue were the definitions of "mature" and "maturing" trees; the interpretation of the date of acquisition of property; and the retroactive application of Measure B. On February 8, 2016, the City Council approved Ordinance No. 346 amending portions of the View Preservation Ordinance that were unaffected by Measure B and adopted Resolution No. 1182, which adopted administrative regulations interpreting Measure B.

In mid-2016, proponents of a new initiative measure began circulating a petition in order to propose a wholesale rewrite of the View Preservation Ordinance. The City Council appointed an ad hoc subcommittee of its members to meet with the proponents in an effort to collaboratively craft a new ordinance that could be adopted by the Council without a vote of the electorate.

SECTION 2. **Urgency findings.** On November 28, 2016, the City Council held a duly noticed public hearing. In light of the evidence submitted and testimony received during the public hearing, the City Council finds as follows:

A. The adoption of Measure B in March 2013 by the electorate has led to practical difficulties in the application of the City's view preservation ordinance (RHMC Chapter 17.26);

B. As noted in Section 1, the City Council is currently actively studying the City's current view preservation ordinance and has determined to work with City residents collaboratively to rewrite the view preservation ordinance in order to address the ambiguities and uncertainties that hamper its effective application and enforcement;

C. Pending the conclusion of that process, it is possible that application of the current view preservation ordinance will result in determinations and decisions that are inconsistent with the ordinance being prepared, and that considerable time, expense and resources will be devoted to evaluating applications under an ordinance that may soon become obsolete;

D. Adoption of this interim ordinance is necessary to prevent inconsistent application of the City's view preservation ordinance during the pendency of this process and to avoid a threat to public health and safety;

E. This interim ordinance is necessary to protect the public safety, health, and welfare, by prohibiting the acceptance, processing, and/or consideration of any application sought under the City's current view preservation ordinance.

SECTION 3. Interim Zoning Regulations. Notwithstanding any provision of the Rolling Hills Municipal Code to the contrary, no applications for the protection of views and abatement of view obstructions under Chapter 17.26 shall be processed, considered or acted upon by the Committee on Trees and Views or the City Council during the pendency of this Ordinance or any extension thereof.

SECTION 4. Exceptions. Enactment of this Ordinance shall not preclude the City from processing an application under Chapter 17.26 filed and accepted as complete prior to November 14, 2016. Furthermore, enactment of this Ordinance shall not preclude the City from enforcing the provisions of Section 17.26.070 of the Rolling Hills Municipal Code as to any failure or refusal of any person to comply with a final decision made under Chapter 17.26 between March 2013 and November 28, 2016.

SECTION 5. Severability. If any part or provision of this Ordinance or the application to any person or circumstance is held invalid, the remainder of this Ordinance, including the application of such part of provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Ordinance are severable.

SECTION 6. Conflicting Laws. For the term of this Ordinance, or any extension thereof, the provisions of this Ordinance shall govern over any conflicting provisions of any other City code, ordinance, resolution or policy.

SECTION 7. Adoption. This ordinance is adopted pursuant to California Government Code Section 65858 and shall take effect immediately upon adoption by a four-fifths vote of the City Council. This ordinance shall be in full force and effect for a period of 45 days from the date of its adoption unless extended by the City Council in accordance with the provisions of California Government Code Section 65858.

PASSED, APPROVED AND ADOPTED this _____ day of _____, 2016.
